 $\$75 + \$150 + \$185 + \$27.68 = \mathbf{\$437.68}$  <sup>(3)</sup>.
  - B. Whether you are a current docker at SHM or dock offsite **and you are a Veteran** <sup>(2)</sup> when you apply for HBYC membership, your fee will consist of a reduced New Membership Initiation fee of \$25, the Club House Assessment fee of \$150, Annual Dues of \$185, and Sales Tax of \$24.30 to equal:  $\$25 + \$150 + \$185 + \$24.30 = \mathbf{\$384.30}$  <sup>(3)</sup>.

Your fee will consist of the New Membership Initiation fee of \$25, the Club House Assessment fee of \$150, and Sales Tax of \$11.81 to equal:  $\$25 + \$150 + \$11.81 = \mathbf{\$186.81}$  <sup>(3)</sup>.

1) A membership year is defined as the period from 1 January to 31 December. A new member is a person(s) at any point in time within their first membership year as defined by these dates.

2) The HBYC membership fee veteran discount is a first-year one-time only discount.

3) New members, regardless of age, joining on or after 1 September of the current membership year will not be charged membership dues for the remainder of that year. However, the new member must still submit all initiation and assessment fees as described in Item 2(C) or 2(D). On 1 January of the following membership year, a new member is considered a current member and will pay annual dues compliant with Item 1 above.
